

# **PROTECT MEDICAID FOR OUR FAMILIES**

**854,000 people**

Medicaid covers over  
854,000 New Mexicans.

**2/3 of children**

Two-thirds of our  
children get healthcare  
through Medicaid.

**\$4 to \$1 Match**

NM receives \$4.5 billion in  
federal funding for Medicaid each  
year that supports our economy.

**50,000 Jobs**

Medicaid supports over 50,000  
jobs in NM, mostly in our  
healthcare system.

**Cuts to Medicaid threaten healthcare for our families, making it harder  
to see a doctor and get the important healthcare that we all need!**
